Launching a new product? Need to gather leads for a program? Want to host an interactive customer promotion?

As a leader in local food systems – locally, nationally, and around the globe – Portland Farmers Market is top-notch organization and an outstanding partner for businesses looking to connect with the Portland community in a meaningful way.

Frequently ranked in the top ten best farmers markets in the world, Portland Farmers Market (PFM) offers you association with a well-respected organization working tirelessly to support family farmers and food artisans while promoting healthy lifestyles for our community.

Without a doubt, one of the top foodie experiences in Portland includes a visit to the Portland Farmers Market, where local growers, cheese makers, bakers, flower growers, food artisans and craft beverage producers all come together to create a vibrant marketplace experience featuring the freshest of the Pacific Northwest. PFM operates five farmers markets in the Portland Metro area, connecting farmers and vendors with shoppers throughout the city. Our flagship market at Portland State University (PSU) enjoys an average of 9,500 customers weekly, with as many as 16,000 on a summer day.

We seek special exhibitors (one day only or limited engagement) that complement our vendor mix, enhance the overall shopper experience, and align with our market values. In exchange, we offer an unparalleled opportunity for face-to-face engagement, product sampling and lead generation for brands/businesses seeking to connect with our audience.

Let's discuss and see if we're a good fit!
