

COUNTRY Financial® and the Portland Farmers Market invite all Willamette Valley area high school students to participate in our...

Eighth Annual Portland Farmers Market Reusable Bag Design Contest

◀ 2017 winning design by Claire Williams, Lake Ridge High School

This year's theme is **"You've got a lot growing for you"**, so think green with your design, and remember to add "2018 Portland Farmers Market" to your artwork.

- We'll be giving away a \$2,000 scholarship to the student with the grand prize winning design, a \$1000 scholarship to the 1st runner up, and a \$500 scholarship to the 2nd runner up.
- The winning design will appear on thousands of reusable canvas bags to be distributed at the Portland Farmers Market!

Entries must be submitted by April 13, 2018, so see your art teacher or principal for official rules and an entry form today. And be sure to visit COUNTRYfarmersmarkets.com to see last year's winning designs.

We'll see the top three finalists at the unveiling of the winning design on June 9, 2018. Hope to see you there!
