PFM's Durable Dining program is inspired by our sustainability value as an organization. At the beginning of the program, PSU Market's garbage output was reduced by half. We appreciate all of the work vendors put into this program and want to work collaboratively to continuously improve the program.

These audits help our staff enforce the rules every vendor agreed to in our vendor handbook. If you are interested in working to streamline Durable Dining, please email [lexi@portlandfarmersmarket.org](mailto:lexi@portlandfarmersmarket.org).
